Jeff Otteson
DOT/PF Deputy Commissioner
3132 Channel Drive, Suite 200
Juneau, AK 99801-7898

Mr. Otteson,

As a frequent driver on the Anchorage to Girdwood highway for the past 30 years, I am extremely disappointed to learn the state recently dropped the Seward Highway improvements south of Potter Section House from the State Transportation Improvement Plan. This section of highway is in critical need of improvement to safeguard all drivers. With the continued increase of traffic the highway has become a serious hazard.

Robert E. Bulmer
